Dated this the 9th day of January, 2007.

JUDGMENT

Heard counsel for the petitioners and Standing Counsel for the respondent-University. The petitioners have approached this court for appropriate orders for filling up the remaining vacancies in the MEd. course. The petitioners' case is that selection for admission is from rank list prepared after conducting entrance examination. It is conceded that management seats also have to be filled up like merit quota seats from the list of candidates prepared based on result of entrance examination. Standing Counsel for the University submitted that University can send the list at the earliest for admission under merit quota and management quota. Accordingly W.P. is disposed of directing the respondent to forward the list of candidates in merit quota and management quota to respective colleges within ten days from the date of production of copy of this judgment If there is inadequacy of students in the list sent by the University, then petitioners are free to admit students who have the required qualification under the University Regulations.
